

New Readers BOOKSTORE

Frontier College is proud and honoured to have been offered the opportunity to carry on the Laubach tradition of bringing cutting-edge literacy resources to the literacy and learning community in Canada.

Laubach Literacy of Canada has a long and distinguished history of innovative literacy work in Canada. Frontier College is committed to helping keep the legacy of LLC alive by revitalizing the New Readers Bookstore as the **Frontier College New Readers Bookstore** and by offering the quality resources the community has come to expect.

The **Frontier College New Readers Bookstore** has a wide variety of resources for tutors, trainers, teachers and learners. Our booklist contains titles of interest to low literacy readers, titles that support students' writing skills, dictionaries and reference books for students, Clear and Plain Language Writing tools, resources for volunteer tutors and literacy instructors, and volunteer management resources.

Our goal is to be responsive to the needs expressed by literacy practitioners in a wide variety of literacy programs so we welcome your feedback on materials you would like to see or suggestions you may have.

All of the profit generated by the **Frontier College New Readers Bookstore** will be reinvested in our literacy programs across the country.

As well, Frontier College has accepted the transfer of LLC's enhanced training system and will be adapting it to share with adult literacy tutors and trainers across Canada.

"We are honoured to have the confidence of the Laubach Literacy of Canada staff and board and we look forward to working with the Laubach network, councils, trainers and tutors across Canada. We will move ahead with the knowledge that we will keep the legacy of LLC alive and vibrant and we truly hope that the membership of LLC will join with us to ensure that these legacies live on."
