# Math Scavenger Hunt BINGO

Explore the math in your environment by finding (and crossing out) the items below. Only one box can be crossed out for each find! Try to get 5-in-a-row horizontally, vertically or diagonally, or be a math-master and find all the items!

| B  | I  | N   | G   | O  |
|--|--|---|---|--|
| Something square<br>                        | A circle<br>  | Something measuring less than 10 cm (see ruler below)   | The number<br><b>5</b>  | A double-digit odd number<br>21, 23, 25, 27, 29...   |
| A dime<br>                                 | Something that comes in twos (a pair)<br>          | A rectangular prism<br>   | An even number<br>0, 2, 4, 6, 8...  | A pattern<br>   |
| An object twice as long as your foot!<br> | Something between 5 and 7 cm long (see ruler below)  | Something spherical<br>  | Something that tells time<br>            | A rectangular array<br>                             |
| Something that has symmetry<br>           | A container with a volume greater than 250 ml<br> | A number in the 'teens:<br>13, 14, 15, 16, 17, 18...  | Something about the size of an apple<br> | An example of perpendicular lines<br>               |
| A number greater than 20 but less than 50<br>$>20 <50$   | Something with parallel lines<br>                 | Something triangular<br> | An object with an area greater than this sheet of paper   | A number whose tens place is even<br><b>325</b><br> |
